Dear Applicant:

The FULTON County Board of Registrars recently received your voter registration application.

When you registered to vote, you filled out an application that gave our office information about who you are. Federal law requires that this information be compared with information on file with your driver's license file at the Department of Driver Services. When that happened, though, there was some information that did not match up. We are writing to let you know how you can clear up any questions about your voter registration application that were raised by this process.

One of the pieces of information that did not match up for you was whether you are a United States Citizen. When you registered to vote, you said that you were a citizen, but the Department of Driver Services record does not match that information. Under state and federal law, you must be a U.S. Citizen in order to register to vote, so this is a very important question to answer.

In order to clear up this question, you should contact this office immediately and provide us with documents that show your citizenship. A list of the types of documents that you could show is included with this letter.

Additionally, the following information you provided on your voter registration application did not match the records at DDS:

LAST FOUR DIGITS OF SOCIAL SECURITY NUMBER: 9012
FIRST NAME: QWINTRIZE
LAST NAME: BRANHAM
DATE OF BIRTH: 03/10/1985
GEORGIA DRIVER'S LICENSE OR IDENTIFICATION CARD NUMBER: 099148853

You may correct the information by clearly printing the requested information directly on this letter and returning it to this office. The required information must be received in this office not later than **Jun 14, 2015**. You may return the required information by personal delivery, mail, email as an attachment, or by facsimile. Failure to provide the required information will result in the rejection of your application.

You may also choose to complete a new voter registration application.

If you have received this notice within 30 days of an election or primary, you may still be able to vote by providing proper identification at the time you request a ballot to be delivered.
