**ORDER**

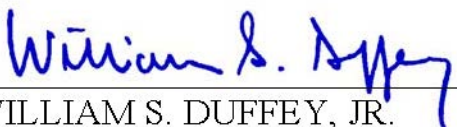

This matter is before the Court on Plaintiff Project Vote, Inc.’s (“Plaintiff”) Motion for Expedited Discovery [24] (the “Expedited Discovery Motion”).

The Court is evaluating Plaintiff’s request for expedited discovery on Defendant Brian Kemp’s (“Defendant”) document production. To determine if the request is reasonable and sufficiently focused in scope to support an expedited Federal Rule of Civil Procedure 30(b)(6) deposition, the Court requires Plaintiff to provide the following information:

1. Identify (i) the specific undefined codes, in records in Defendant's July 2016 production, that Plaintiff seeks to have explained, and (ii) the specific records in which those codes appear. (See [24] at 6-7).
2. Identify the specific category or categories of records that Plaintiff requested and which Plaintiff claims were not produced. (See [24] at 7-8).
3. Identify the requested records that, according to Plaintiff, Defendant claims are "wholly unavailable." (See [24] at 8-9).

**IT IS HEREBY ORDERED** that Plaintiff shall, on or before noon on August 11, 2016, provide the Court with the information required by this Order. After the information is provided, the Court will determine how the Expedited Discovery Motion will be further processed. Defendant is not required to file a response at this time.

**SO ORDERED** this 10th day of August, 2016.
